

REMARKS

It is respectfully requested that the Examiner enter and consider the changes made in the claims which are indicated in the Listing of Claims set forth in Appendix I attached to this paper. Accordingly, Claims 1 and 3 to 8 are canceled, and Claims 9, 12 and 14 are amended. Pending entry and consideration by the Examiner, Claims 9 to 19 as set forth in Appendix II remain in the application. Claims 15 to 19 stand allowed. Claims 9, 10 and 11 stand objected to and Claims 12 to 14 stand rejected.

The Examiner indicated that Claim 9 would be allowable if rewritten in independent form. Applicants' amendment removes the dependence of Claim 9 from a rejected claim. Amended Claim 9 as herewith presented is therefore allowable. Claims 10, 11 and 13 depend upon Claim 9 and should therefore also be in condition for allowance¹⁾. Moreover, applicants have amended Claims 12 and 14 to depend upon Claim 9, so that Claims 12 and 14 should also be in condition for allowance.

Since all of the claims set forth in the attached Appendix II are deemed to be allowable, the application should now be in condition for allowance. Early action is respectfully solicited.

REQUEST FOR EXTENSION OF TIME:

It is respectfully requested that a *three* month extension of time be granted in this case. A check for the \$950.00 fee is attached.

Please charge any shortage in fees due in connection with the filing of this paper, including Extension of Time fees, to Deposit Account No. 11.0345. Please credit any excess fees to such deposit account.

Respectfully submitted,
